## JOCKEY TALLEY'S GOOD WORK.

Midnight Won From Lord Neville and Yellow Tail—Queen Escher Was the Only Favorite to Score.

A very good card of seven races, including the Rich Brewers' stake, was run off at the Fair Grounds yesterday afternoon before 7,500 patrons of the sport, while 20,000 St. Louis school children stood along the outer rail and cheered the thoroughbreds as they raced by in the several events. The weather was perfect, while the track was in excellent shape.

The Rich Brewers' stake, a handicap sweepstakes for 2-year-olds at six furlongs, valued at \$1,000, was the star event of the programme. This is the first time this season that the youngsters have been asked to travel that distance, and the competition on the result of the race was very brisk. Five youngsters accepted the conditions and went to the barrier to compete. Of the bunch Tomlinson and Woodford's queen Dixon was thought to be the best season and therefore backed liberally by the turf at even odds, 4 to 5. The race, as run, proved a veritable surprise to those who believed Queen Dixon to be pounds the best. Perhaps she was, but the fact was overlooked that she was conceding pounds to both South Breeze and Dangleberry, while a slight error of Jockey's judgment might knock calculations out. The weight and error of Tomlinson's filly was beaten a head on the post by Mr. C. C. Cahn's Sir Dixon filly South Breeze.

Starter Brown sent the bunch of youngsters away from the starting post well together. Mr. S. P. Hartman's speedy Cloria immediately shot to the front, and then South Breeze, Dangleberry and Queen Dixon. Tomlinson's filly was beaten a head on the post by Mr. C. C. Cahn's Sir Dixon filly South Breeze.
